### **Women Veterans Night at VA – Oct. 22**

MARTINSBURG, W. Va.—The Martinsburg Veterans Affairs Medical Center will host a Women Veterans Night at the VA here to provide health care information on Friday, Oct.22 for female Veterans who are not currently enrolled in VA for care.

At the event, female Veterans will receive information on eligibility, enrollment, primary care, and specialty care programs. Providers and staff from the Women Veterans Clinic will be available to discuss comprehensive women's health care.

Community organizations including Able Forces, WorkForce West Virginia, Martinsburg Vet Center, and Social Security Administration will be on-site to provide information on employment and other benefits.

Relaxation and stress management through massage therapy and acupuncture will be demonstrated during the event. Free haircuts will also be available on a limited basis, and entertainment and light refreshments will be provided.

The Martinsburg VA Medical Center mission is to honor America's Veterans by providing exceptional health care that improves their health and well-being. Located in West Virginia, the Medical Center offers a comprehensive range of services, including internal medicine, ambulatory surgery, audiology and speech pathology, dental, nursing home, nutrition, podiatry, prosthetics, women's health, mental health, and rehabilitation medicine. With a service area of nearly 130,000 veterans in West Virginia, Maryland, Virginia, and Pennsylvania, the Medical Center operates three VA-staffed Outpatient Clinics in Cumberland and Hagerstown, Md., and Stephens City, Va., and three contract clinics in Franklin and Petersburg, W.Va. and Harrisonburg, Va. Construction for a new clinic in Fort Detrick, Md. has started with an opening tentatively scheduled in February 2011.
